Mateusz Pyrka

Chief System Administrator in Information Technology
Centre of the Department of Finance

Radom, Masovian District, Poland

Summary

Since 2011 I have been building experience in administration of
application servers. I am responsible for maintaining JBoss,
Weblogic, Oracle Application Server, Apache, Tomcat and
Microsoft IIS servers on over 400 virtual machines. Privately, I'm
interested in IoT, car mechanics, electronics and RPG games.
